

Cherry Blossom Run Sunday, 11 April 2010

Cherries? Not yet. Blossoms? You bet!

Find out for yourself just how much the flowers of spring have come out as the PDX MINI club takes a run east, then around the Mount Hood loop and back towards the city of Portland. It won't just be your typical run around the loop, but a run worthy of PDX MINI members looking for driving excitement. It takes a native to know where all the hidden roads are and then connect them for a fun run, so we're using a previous run setup by Tim VanVeen. The combination of 180+ miles of woods, rivers, mountains and flats, all presented with multiple twisties, promises to fill up your senses, along with an adrenaline rush.

We'll wind up at Wink's Sports Bar (www.winkssportsbar.com) in Troutdale.
